

ABOUT

GROWING WORKS

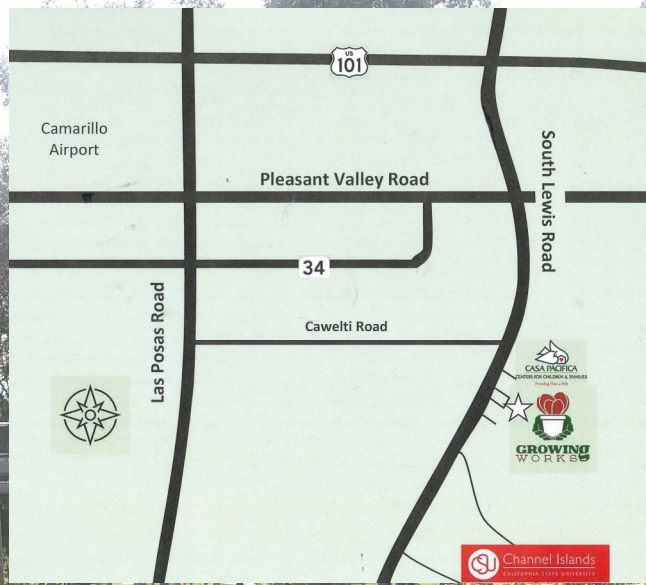

Growing Works is an innovative, wholesale plant nursery and mental wellness program within the Turning Point Foundation that provides job training, employment, volunteer opportunities, recovery services, and horticultural therapy to adults with mental health challenges.

WHAT IS HORTICULTURAL THERAPY?

Horticultural therapy is participation in gardening and other plant related activities to achieve therapeutic goals.

ABOUT

Turning Point Foundation

Turning Point Foundation is a non-profit organization with 14 programs established across 11 locations throughout Ventura County, serving more than 1200 clients each year through its shelter, supported housing, and rehabilitation programs. For over 35 years, Turning Point has been deeply committed to building a healthier community by offering compassionate and proactive treatment for adults struggling with mental illness, many of them homeless and/or veterans.
