

# BETTER TOGETHER

*Community* through Healing, Haven & Hope

**Virtual Event**  
**Thursday | May 13**  
**12 pm - 1 pm**

**Turning Point is proud to present**  
**Better Together: Community through**  
**Healing, Haven, & Hope.**

This virtual event held during Mental Health Awareness Month celebrates the impact of Turning Point's services and illuminates the challenges that we continue to face in Ventura County. You will hear first-hand experiences of how vital our services are and get an up-close look at the great feats we can accomplish with the support of our community.

## **Help Us Extend Healing, Haven and Hope to Ventura County**

Turning Point Foundation began with a single clubhouse in 1988, to provide compassionate care for those struggling with mental illness. Our organization's culture is one that focuses on equity and inclusion and offers personalized care in a manner that adheres to best practices. We are deeply committed to understanding the needs of our community and tailor our programs accordingly. Today, our 15 programs serve more than 1,200 clients across 12 locations throughout Ventura County. We bring healing to those who suffer, haven to those who need a home, and hope for a better future for those who have served our country.

The demand for the care and services we provide has exponentially increased since the onset of the COVID-19 pandemic. Enforced isolation, financial insecurity, loss of social support, as well as the disruption of our daily routines have been difficult for all of us, and especially for our community's most vulnerable.

## **Partner with us**

Sponsors of Better Together make an immediate impact that directly supports our housing, mental wellness, veterans, and Growing Works initiatives. Turning Point sponsors also gain visibility and increased brand awareness to the Turning Point community through the virtual event format as well as with media outreach.

COVID-19 has caused financial hardships to several organizations this year. Despite the difficulties resulting from the pandemic, Turning Point has worked diligently to find innovative ways to continue programs and services in a manner that is both safe and effective. The health and safety of our clients and staff is our utmost priority. Your meaningful sponsorship not only undergirds these key programs and supports our overall mission, and it also creates a healthier community.
